None

VIII. ADJOURNMENT

IX. PUBLIC COMMENTS

- 1) Recovery Symposium presentation by April Barnes, RN, Director of Outreach at
The Next Door Treatment Center (*Councilman Richmond*)

PUBLIC SAFETY COMMITTEE MEETING MINUTES

October 16, 2019 - 4:00 p.m.
City Hall Conference Room

Attending

Committee Members: Councilman Jeff Henley, Chairman; Councilman Erb, Councilman Travis Holleman; Councilman Vondell Richmond; Councilwoman Wanda Smith

Others Present: Mayor Joe Pitts, Fire Chief Freddie Montgomery, Police Chief Alonzo Ansley, Building & Codes Interim Director David Smith, Richard Stevens, Kathy Gray

The meeting was called to order at 4:00 p.m. by Chairman Henley and it was noted there was a quorum.

Minutes from the September 18, 2019 meeting were approved by the committee after a motion was made by Councilwoman Smith and seconded by Councilman Richmond.

BUILDING & CODES:

~Mr. Smith stated that he would answer any questions regarding the monthly reports.

Commercial permits are tracking as usual. Permits are up on building, and are close in volume to two years ago. Codes has slowed down, probably due to a reduction in grass growing. Councilwoman Smith asked about the schedule for mowing and he said that the abatement crews mow Monday through Friday from 7am until 2:30pm. They have expanded the hours for contractors this month. They are going paperless on inspections next week. They have had the software for some time and are now starting to use it. Councilwoman Smith asked how long citizens have to comply with codes violations. Mr. Smith said that they give 13 days on grass violations and then it takes three to four days to get to them. Housing code violations are given 30 days and junk cars are given 15 to 20 days. If not corrected, violations are taken to City Court. Councilman Henley asked about the criteria on high grass and Mr. Smith said 13 inches is a violation.

Councilman Richmond met with Animal Control regarding a recent report of a citizen operating a kennel. They do not think she is running a kennel and will conduct monthly visits. They may limit the number of dogs allowable in the future.

Councilman Henley asked if September multi-family figures were a record number and Mr. Smith said they processed out more than usual.

POLICE DEPARTMENT:

~Chief Ansley presented monthly reports and asked for questions.

He noted there were several businesses cited for beer sales.

Mentioned that the Leadership Clarksville Law, Crime & Justice Day went very well last week. Councilwoman Smith is a current member and she said that the class and training were outstanding.

Councilman Henley mentioned the high number of vehicle burglaries and asked about a recent Idlewood Drive burglary. Chief Ansley said that is a current major problem and he will check into that burglary. He invited the committee to attend Crimeview meetings held every other Friday morning at 7am in the basement at CPD Headquarters.

Mr. Stevens said that he sent a news release today regarding a Holiday Crime Prevention program urging residents to "Park Smart" and offering tips on holiday safety.

Councilman Richmond mentioned that he went by the Police Headquarters recently and scheduled a meeting with Chief Ansley and a tour of some of the facilities next Tuesday. He suggested that others do so and Chief encouraged them to.

FIRE DEPARTMENT:

~Chief Montgomery gave a review of the monthly reports and asked for questions.

Noted there were over 12,000 runs last month (5% fires), and \$600,000 in property loss. Councilman Henley said in looking at past months it seems that runs are higher now. Chief Montgomery said that he will double check the numbers but it may be that this report includes five weeks. Mayor Pitts said that there is possibly more accountability in reporting now than in past months.

Chief Montgomery gave a breakdown report to the Committee, highlighting on the following items: He stated that the drone has been delivered. Capt. Rios is currently in PIO training. He is starting to look at garage building design with David Smith. They are working on a better procedure for tracking work orders. He stated that training is very important and is a priority. They are working with the school system Stem Program. Three fire fighters who are on the Blue Way team recently went for training in Kentucky. The first phase of training was free and he commended the team for their initiative. He is working on tweaking the criteria for employee evaluations. They are launching a Mental Health Monday safety program. They are working with Human Resources on improving their promotion process.

CITY COUNCIL ACTION REQUIRED

"A Resolution authorizing retirement of a Patrol Service Dog "Koda" from K-9 Unit and donation to Police Officer Keith Jones"

Chief Ansley stated that Koda is nine years old today and was involved in an accident that left him with a spinal injury, unable to use his hind legs, preventing him from performing duties of a Patrol Service Dog. He is asking that Koda be retired and donated to his handler, Officer Keith Jones. We will compensate him a small amount for veterinarian cost and food. The Resolution was approved by all after motion was made by Councilwoman Smith and seconded by Councilman Holleman. Chief Ansley said that a non-profit organization, Spike's K-9", is sponsoring a fund to provide medical assistance to Koda. They are not involved with the City or the CPD.

DISCUSSION REGARDING CHANGING THE TIME OF BEER SALES ON SUNDAY

Councilman Holleman said that he is working with City Attorney Lance Baker to draft an ordinance changing the time of beer sales on Sunday from noon to 10:00 a.m. The City regulates beer sales and the State regulates liquor and wine sales. Currently, pursuant to state law, liquor and wine may be purchased on Sundays starting at 10:00 a.m. and he would like to see all alcohol sales consistent. It will have to go before the City Council, but he would like to poll the committee today and get their thoughts. Chief Ansley said from a law enforcement standpoint he has no objections. Councilwoman Smith said that as a minister, she is opposed to the change and feels that the ministers in Clarksville will object. Councilman Richmond is also in opposition from a personal standpoint. Councilman Holleman said he supports it from a business aspect and has talked to several local business owners who would like to see the change. Councilman Erb asked if we could change the process to

abide by the State law on beer sales so the City will not have to regulate it. Councilman Holleman will check with Lance Baker on that and report back.

There was no further business.

Councilman Holleman made a motion to adjourn and Councilman Richmond seconded the motion.

Submitted by:
Kathy Gray
Clarksville Police Department

MEMORANDUM

TO: Public Safety Committee

FROM: David Smith
Interim Director

RE: Statistical and Revenue Data

DATE: December 18, 2019

Enclosed herewith please find a comparison of the total number of permits issued for new construction to include the estimated cost of construction for the 2017 and 2018 (January through December) calendar years. I am also enclosing a permit report for the 2019 calendar year. Also included is a comparison of revenues received for City General during the 2017/2018, 2018/2019 fiscal year and the 2019/2020 fiscal year July through June. If you have any questions or desire additional information please do not hesitate to contact me.

DS:PDM

ORDINANCE 49-2019-20

AN ORDINANCE TO AMEND THE CITY CODE PERTAINING TO A PROHIBITION ON ELECTRIC MOTORIZED BICYCLES, SCOOTERS, AND SKATEBOARDS

WHEREAS, the state law private act Charter of the City of Clarksville, at Article I, Section 4, and Section 5, sub-sections (19), (26), (28), (34), (35), (53), and (57) provides authority to the City to provide for and to protect public health, safety, and general welfare, and to regulate motorized vehicles, streets, alleys, trails, parks, and sidewalks, *inter alia*; and

WHEREAS, the City Council finds that recent transportation and technology innovations have led to new mobility options for people and have created a new market for both privately owned, and commercial on-demand, shared, dockless, small vehicles and vehicle systems, which may include, but is not limited to, electric motorized bicycles, scooters, and / or skateboards; and

WHEREAS, the City Council finds that although this new low-emission transportation technology platform offers some benefits to the public, the use of this new transportation technology often results in shared dock-less small vehicles being placed, dropped off, and left unattended, virtually anywhere in the public right-of-way, to include on or along public streets, parks, and sidewalks, in a haphazard, dangerous, chaotic, and unsafe manner for pedestrians, motorists, and other small vehicle users, and the operator themselves; and

WHEREAS, the City Council further finds that the use of said shared dock-less small vehicles wherein said vehicles are placed, dropped off, and left unattended can impede both vehicular and pedestrian traffic, to include the traversing of City streets and sidewalks by persons with disabilities sometimes even making them inaccessible, and creates generally a tripping, stumbling hazard and nuisance to the public, and the potential for motor vehicle / pedestrian accidents and / or property damage from careless or negligent use or placement of said vehicles; and

WHEREAS, the City Council further finds that the use of said shared dock-less small vehicles wherein said vehicles are placed, dropped off, and left unattended can impede commercial foot traffic to local merchants, stores, restaurants, and entertainment venues by generally blocking access and egress, and creating blockages along sidewalks and at doorways; and

WHEREAS, the City Council further finds that when said vehicles are placed, dropped off, and left unattended the effect is to create a cluttered environment and an unappealing aesthetic look; and

WHEREAS, the City Council finds that numerous other cities who have had extensive experience with said vehicles and vehicle systems and the regulation of same have encountered numerous safety problems and regulatory enforcement problems, to include several cities in Tennessee such as Nashville and Chattanooga; and

WHEREAS, the City Council finds that the detriments and costs to the City and the public outweigh any potential benefits from the use of such vehicles and vehicle systems, and that the use and / or operation of such vehicles and / or vehicle systems, or the rental of, or offering to rent, such vehicles and / or vehicle systems, should be prohibited on and along City public streets, roads, alleys, right-of-ways, or sidewalks within the Central Business District as established, and as may be amended from time to time, in the City zoning code, and on and along all arterial or collector roads as listed in Appendix H (Access Regulations) of the City Code and all public sidewalks running along said roads, and in all City owned parks, and the City owned Clarksville Greenway trail system.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CLARKSVILLE, TENNESSEE:

1. That Title 9 (Motor Vehicles and Traffic) of the Official City Code should be and is hereby amended by adding a new chapter seven (Chapter 7. Electric Motorized Bicycles, Scooters, and Skateboards) as follows:

Chapter 7. Electric Motorized Bicycles, Scooters, and Skateboards.

Section 9-701. Definitions.

For purposes of this chapter, the following words and phrases shall have the meanings set forth below:

- a. *“Dockless Small Vehicle System”* shall mean a system or equipment which provides electric motor powered bicycles or scooters, and / or electric or gasoline motor powered skateboards, or similar types of small electrically powered or partially powered vehicles for public use, to include for short-term rentals, which may be locked and unlocked without the requirement of a bicycle rack or other docking station, designed for shared use utilizing the Global Positioning System (GPS) or other similar technology.
- b. *“Dockless Small Vehicle”* shall mean an electric motorized bicycle or scooter, or electric or gas motorized skateboard, or other similar type of small electrically powered or partially powered vehicle which may be locked and unlocked without the requirement of a bicycle rack or other docking station, designed for shared use utilizing the Global Positioning System (GPS) or similar technology, but shall not include a motorized wheelchair, or other personal mobility device designed for and used by a disabled person.
- c. *“Electric Motorized Bicycle”* shall mean two- or three wheeled small vehicle that has handlebars, and a seat for the rider, that is powered by an electric motor either wholly or in conjunction with human power, but shall not include a motorized wheelchair, or other personal mobility device designed for and used by a disabled person.

- d. *“Electric Motorized Scooter”* shall mean any two- or three-wheeled small vehicle that has handlebars, and a floorboard or deck designed to be stood upon while being ridden or used as a mode of transportation, that is powered by an electric motor either wholly or in conjunction with human power, but shall not include a motorized wheelchair, or other personal mobility device designed for and used by a disabled person.
- e. *“Electric or Gas Motorized Skateboard”* shall mean a self-propelled small vehicle or platform device that has at least two tandem wheels that has a floorboard or deck designed to be stood upon while being ridden or used as a mode of transportation, that is powered by a electric or gasoline operated motor, but shall not include a motorized wheelchair, or other personal mobility device designed for and used by a disabled person.

Section 9-702. Dockless Small Vehicles and Vehicle Systems Use Prohibited.

a. It shall be unlawful to provide, or to offer for use or rent, or to rent, a Dockless Small Vehicle, either standing alone, or in connection with, or as a part of, a Dockless Small Vehicle System, on and along City public streets, roads, alleys, right-of-ways, or sidewalks within the Central Business District as established, and as may be amended from time to time, in the City zoning code, and on and along all arterial or collector roads as listed in Appendix H (Access Regulations) of the City Code and on all public sidewalks running along said roads, and in all City owned parks, and the City owned Clarksville Greenway trail system.

b. It shall be unlawful to park, leave standing, leave lying, or to abandon, or to otherwise place or locate a Dockless Small Vehicle on and along City public streets, roads, alleys, right-of-ways, or sidewalks within the Central Business District as established, and as may be amended from time to time, in the City zoning code, and on and along all arterial or collector roads as listed in Appendix H (Access Regulations) of the City Code and on all public sidewalks running along said roads, and in all City owned parks, and the City owned Clarksville Greenway trail system.

c. It shall be unlawful to use or operate any Dockless Small Vehicle on and along City public streets, roads, alleys, right-of-ways, or sidewalks within the Central Business District as established, and as may be amended from time to time, in the City zoning code, and on and along all arterial or collector roads as listed in Appendix H (Access Regulations) of the City Code and on all public sidewalks running along said roads, and in all City owned parks, and the City owned Clarksville Greenway trail system.

Section 9-703. Citation to City Court; Civil Fine for Violation; Impoundment.

a. Any City law enforcement office, and / or any City Parking Commission agent, is hereby empowered to issue a citation to any person or business entity for any violation of any of the provisions of this chapter. Citations so issued may be delivered in person to the alleged violator, or the citation may be delivered by registered mail to person so charged if

they cannot be readily found, or to the registered agent for any business entity. Any citation so delivered or mailed shall direct the alleged violator to appear in City Court on a specific day and at a specific hour stated upon the citation; and the time so specified shall be not less than seventy-two (72) hours after its delivery in person to the alleged violator, or less than ten (10) calendar days of mailing same. Citations issued for violations of any provisions of this chapter shall be tried in the City Court. The City Court Judge shall determine whether the City has proven by a preponderance of the evidence that the alleged violator has in fact committed the alleged violation, and if so, the City Court Judge shall impose a civil monetary fine as penalty against any person or business entity found to have violated any provision of this Chapter, said fine not to exceed FIFTY DOLLARS AND ZERO CENTS (\$50.00) for each violation. Each day of violation, and each incident involving a separate Dockless Small Vehicle, shall be deemed a separate and distinct violation.

2. This ordinance is adopted pursuant to the City of Clarksville state law private act Charter and state law of general application. If any section, sub-section, or sub-part, sentence, clause, or phrase is declared invalid or otherwise void by a court of competent jurisdiction, it shall not affect any remaining provision hereof. In this regard the City Council finds and declares that it would have adopted this ordinance notwithstanding any partial invalidity hereof.
3. In the case of conflict between this ordinance or any part hereof, and the whole or any part of any other existing ordinance of the City, the provision that establishes the higher or stricter standard shall prevail.
4. This ordinance shall take effect immediately upon final passage on second reading by the City Council.
