PUBLIC SAFETY COMMITTEE MEETING MINUTES

July 17, 2019 - 4:00 p.m.
City Hall Conference Room

Attending

Committee Members: Councilman Henley, Chair; Councilman Erb; Councilman Holleman; Councilman Richmond; Councilwoman Smith

Others Present: Police Chief Alonzo Ansley, Building & Codes Interim Director David Smith, City Auditor Rodney Wright, Kathy Gray

The meeting was called to order at 4:00 p.m. by Chairman Henley and it was noted there was a quorum.

Minutes from the June 19, 2019 meeting were approved by the committee after a motion was made by Councilman Holleman and seconded by Councilwoman Smith.

BUILDING & CODES:

~Mr. Smith presented monthly reports and stated that he would answer any questions.

~He reported that the Wesley Chapel Church collapsed in a recent storm and was posted unsafe. They worked with CPD, CFR, and EMA to make sure that no one was injured. Worked with Church trustees and bank, as per City Council action. Pre-proposal meeting is scheduled for tomorrow on site with any potential contractors. Bids will be put out next week and two structures will be built on the site by Habitat for Humanity.

~Councilman Richmond met with the owner of the Wagon Wheel Restaurant who stated that a Codes inspector had stopped by and said she needed to update her sign and she was unclear about what is needed. Mr. Smith will check into it.

FIRE DEPARTMENT:

~Chairman Henley stated that Fire Rescue was not represented, but their report was in the packet.

POLICE DEPARTMENT:

~Presented monthly reports and asked for questions.

~Councilman Richmond reported that he met with a group of ministers led by Pastor Robert Harris with First Missionary Baptist Church regarding concerns about violence. Chief Ansley stated that he will be happy to meet with them. He mentioned that CPD is very proactive with community policing and there are now five members of the Community Relations Unit who do an outstanding job of interacting with citizens and educating them on safety. Ms. Smith said that laws need to be changed on gun control and we need to contact State and National representatives. She asked how police approach citizens to interact with them. Chief Ansley said we have to build trust and we are doing our best to

form a bond. We spend more time in areas where there is a lot of crime and meet bi-weekly at Crime View meetings to learn of the areas where the most crime and traffic accidents occur. We track all activity and now have body cameras. 42% of all crimes are closed, which is among the best rate in the State. We also report all crime to the public which he feels the citizens deserve to know. He will give the committee a copy of our recent TBI report. Chairman Henley commended Chief Ansley and the CPD for doing a good job and for their presence in the community.

CITY COUNCIL ACTION REQUIRED

Approval of Mutual Aid/Interlocal Agreement between the City of Clarksville, TN and Austin Peay State University.

Chief Ansley stated that this is the same wording as the agreement executed last year. There is a new Police Chief at APSU and this document is being executed so that it will contain his signature. A motion to approve was made by Councilman Richmond and seconded by Councilman Erb. It was approved by the committee.

There was no further business.

Councilwoman Smith made a motion to adjourn and Councilman Erb seconded the motion. Meeting was adjourned at 4:33 p.m.

PUBLIC SAFETY COMMITTEE MEETING MINUTES

August 1, 2019 - 5:30 p.m.
City Hall Conference Room

Attending

Committee Members: Councilman Jeff Henley, Chair; Councilman Ron Erb; Councilman Travis Holleman; Councilman Vondell Richmond

Others Present: Mayor Joe Pitts, Police Chief Alonzo Ansley, Fire Chief Freddie Montgomery, Councilman Jeff Norris, Richard Stevens, Deputy Chief David Crockarell, Deputy Chief Richard Stalder, Kathy Gray

The meeting was called to order at 5:30 p.m. by Chairman Henley and it was noted there was a quorum.

DISCUSSION regarding recent crime activity in Clarksville, prior year statistics, and strategies related to crime prevention, public perception, and any additional resources CPD may need.

Chief Ansley distributed information to the committee relating to crime statistics and how we report crime to TBI and gave an overview of the hand-outs. He stated that violent crime is not up, however property crime is. Crime was reduced from 2017 to 2018 and is still down so far for 2019. We compare favorably with other cities in Tennessee and our clearance rate is very good. He gave a comparison to four cities similar in size and proximity to colleges and military bases, and we ranked lowest in crime. One of our biggest obstacles over the last few years has been heroin. Crack cocaine is actually down from prior years. We now have 2 officers per 1,000 citizens and he would like to see an increase to 2.1 officers over the next three years, which he has a plan for. We are now down 20 officers. Chattanooga is allocated 500 officers, which is 2.7 per 1,000 citizens. We have had 10 homicides so far this year. The highest year during his tenure has been 16. Crashes have gone up every year, to include fatality crashes.

Chief Ansley introduced Deputy Chiefs David Crockarell and Richard Stalder.

Chairman Henley asked what time curfew is for minors. DC Crockarell answered that it is 1am for 16 and 17 year olds and 11pm for 15 year old and under. Chairman Henley asked Chief Ansley if he felt that this should be amended and he said he does not. If minors are found to be violating the curfew, officers may take them home and may cite them.

Councilman Richmond asked if transparency in reporting to the media and public is new and Chief said no, he has encouraged this throughout his tenure, both to protect the public and ask for information regarding solving crimes. Councilman Richmond asked if increase in crime is related to growth in population, and Chief said yes, all cities suffer from increase in crime and crashes.

Mayor Pitts commended the CPD and said that outstanding police work gets lost in social media. Crime usually gets more attention than catching violators. Chief commented that there are usually witnesses to crimes, but they don't usually cooperate with police. He stated that we are doing more community policing than ever. He invited the Mayor and all present to attend a Crimeview meeting tomorrow morning at CPD Headquarters at 7am.

He will be interviewing for new officers next Monday and hopes to hire seven or eight. We get a large number of applicants, currently about 250, but lots of them do not get hired, either because they do not pass the written or physical test or they do not pass our extensive background checks. It takes six months to get them trained to be put on the street. He stated that he is very proud of our department and feels that we have some of the best officers. He works hard to stay competitive and keep professional officers on the streets. He appreciates the support of the Mayor and the Public Safety committee. There is a problem with retaining officers and we have lost several to the Sheriff's Office SRO program. Councilman Henley asked if their pay is more than the CPD and Chief Ansley said no, it is lower. Councilman Holleman asked the cost for training and Chief said \$2,500 just for the Academy. Total cost, to include training and equipment, is around \$7,500.

Councilman Henley asked how many deaths this year are gang related. Chief Ansley said that there were a couple of shootings that were clearly gang related, but some crimes migrate from other types of crimes. Mayor Pitts stated he was at a meeting at Ft. Campbell yesterday and military officers commended the CPD. Chief added that three businesses were black listed at that meeting.

Councilman Erb asked about technologies to help officers at crime scenes, such as flares and drones. Chief Ansley said that we do deploy flares, and we have a drone and a boat which have been helpful. We have a new CAD system, body worn cameras, and in-car cameras. We have excellent IT staff at the Police Department. There is other technology out there that is costly.

Councilman Erb asked if there are areas where police are not liked and if we can concentrate on those areas. Chief said that we work constantly doing this and have far better trust than in the past. The Community Relations Unit works at this constantly. Some of the events scheduled in the community are: Fuel the Bus, National Night Out, Kona with a Cop, and Coffee with a Cop. The community supports us, but there is always going to be 3 to 5% who are against police.

Councilman Richmond said that he has encouraged the pastors' group that he has been speaking with to contact the Chief and get a presentation on crime, and the Chief said he will be happy to speak with them.

Chief Ansley said to tell all "if they see something, say something" regarding crime and helping the police with solving crimes. He mentioned the "Ferguson effect" which is the idea of increased distrust of police which causes citizens not to take action for fear of prosecution.

He invited the Public Safety Committee to ride-along with officers at any time.

As there were no more questions, Councilman Holleman made a motion to adjourn and Councilman Erb seconded the motion. Meeting was adjourned at 6:14 p.m.

RESOLUTION 16-2019-20

A RESOLUTION AUTHORIZING A MUTUAL AID/INTERLOCAL AGREEMENT
BETWEEN THE CITY OF CLARKSVILLE AND AUSTIN PEAY STATE UNIVERSITY
FOR FIRE SERVICES

WHEREAS, the City of Clarksville and Austin Peay State University have discussed the feasibility of requesting assistance from each other in special situations involving danger to life or property; and

WHEREAS, both parties have agreed to outline the procedure to be followed in the event of a request for assistance by one of the parties.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CLARKSVILLE, TENNESSEE:

That the Clarksville City Council hereby authorizes a Mutual Aid/Interlocal Agreement, attached hereto as Exhibit A, between the City of Clarksville and Austin Peay State University for fire services.

ADOPTED:

MUTUAL AID AGREEMENT

This Mutual Aid Agreement entered into by and between AUSTIN PEAY STATE UNIVERSITY, acting through its Chief of Police (APSU), and the CITY OF CLARKSVILLE, TENNESSEE, a fourth class Tennessee Municipal Corporation, acting through its Fire Chief (Clarksville), this 9th day of July, 2019.

WHEREAS, the parties have heretofore discussed the feasibility of requesting assistance from each other in special situations involving danger to life or property; and

WHEREAS, the parties desire to outline the procedure to be followed in the event of a request for assistance by one of the parties;

NOW, THEREFORE, in consideration of the mutual promises and considerations specified herein, the parties hereto agree as follows:

1. In the event an emergency occurs in the jurisdiction of the APSU Police Department, the Executive Authority (President or other designated person) of APSU, the APSU Chief of Police, or the highest-ranking APSU police officer present at the site of such emergency may request assistance from the Clarksville Fire and Rescue Department when the requesting person has established the need for additional manpower or equipment. Likewise, in the event an emergency occurs in the jurisdiction of the Clarksville Fire and Rescue Department, the Executive Authority (Mayor or other designated person) of the City of Clarksville, the Clarksville Fire Chief, or the highest-ranking Clarksville fire fighter present at the site of such emergency may request assistance from the APSU Police Department when the requesting person has established the need for additional manpower or equipment, and pursuant to TCA 49-7-118 (e) (1) and (e) (2).

2. In the event of such request, the executive authority of the responding agency, the Fire Chief of the responding agency, or the highest-ranking fire officer of the responding agency may, in his or her discretion, provide aid and assistance requested, when in his or her opinion, the manpower and equipment is available, and will not significantly impair the ability of the responding agency to provide for the safety and security within its jurisdiction.

3. If the responding agency agrees to provide mutual aid, all personnel of the responding agency shall report to and shall work under the direction and supervision of the highest-ranking officer of the responding agency who is present at the site of the emergency.

4. All personnel and equipment may be recalled by the highest-ranking on site officer of the responding agency when the officer determines that the emergency no longer exists, the situation is beyond the capabilities of the responding agency, or the personnel and equipment are needed by the responding agency to maintain the safety and security of citizens or property within its jurisdiction.

5. Reimbursement for services and equipment, if any, shall be determined based on the size and duration of the response.

6. Communications between agencies shall be conducted on the requesting agency's police radio frequency, if possible. Users of this frequency shall use "plain language" and identify themselves with agency name and unit number when contacting other agencies.

7. The Clarksville Fire and Rescue Department and the Austin Peay State University State Police Department shall each be liable for the actions of its employees as required by law, and the requesting party shall indemnify and hold harmless the responding party from and against any and all claims, suits, actions, debts, damages, costs, charges and expenses, including court costs and attorney fees, and against all liability, losses, and damages of any nature whatever, that the responding party shall or may at any time sustain or be put to by reason of the actions or inactions of the requesting party under this Mutual Aid Agreement.

8. Any images (video or photographs) made or captured by either party will be primary custody of the requesting party and can be distributed through formal request for same. All images taken or obtained by the responding agency will be relinquished to the requesting agency when the emergency no longer exists, if not sooner.
