and vote

Other business:

Public Comments:

Next meeting: **8, June 2022 at 4:00 p.m. 4th Floor Mayor's Conference
Room, City Hall**

c. 5:00: Adjourn

To whom it may concern.

As chairman of the Clarksville Tree Board, I am writing this letter in support of the TAEP Grant application submitted by Kathrine Killebrew, the Clarksville City Forester. Her project to add more street trees to our beautiful city is another step in increasing our green infrastructure in Clarksville. This project, when complete, will aid in reducing the 'heat island' effect, which commonly occurs in urban areas as well as improve our air quality, and reduce the amount of storm water run-off into our rivers and streams.

Myself along with two other community members, Alexandra Wills and Joey Redman, will serve as a community oversight committee to ensure that the grant funds are used effectively and efficiently. This group will meet regularly with the City Forester to discuss progress and ultimately, ensure completion of the proposed project.

Additionally, the TAEP grant project progress will be a recurring line item on the City Tree Board agenda until completion.

Please accept this letter of support for this project and consider the added benefits to the Clarksville community during your review process.

Sincerely,

A handwritten signature in blue ink, which appears to read "Wes Powell".

Wes Powell
Clarksville Tree Board- Chairman
