 - c. Councilperson Reynolds will update the document and present it at the next meeting.
 - d. Reviewed - Definitions will be added at a later date.
 - e. Landmark Trees - Definition and Big Tree Contest
 - i. **Definition of Specimen Tree Vs Landmark Tree-Farragut**
 - ii. Specimen tree means a particularly impressive or unusual example of a species due to its size, shade, shape, age, or any other trait that, in the opinion of the professional responsible for preparing the tree preservation/removal plan, epitomizes the character of the species.
 - (1)The term "tree" includes, but is not necessarily limited to, the following: a. Any nonhazardous tree that has a particularly uncommon or widely valued characteristic and which has a DBH of more than 24 inches;b. Any nonhazardous tree that has been declared as rare or endangered by an agency of the state or federal government and which is protected by the laws of the state or the laws of the United States; and/or any tree that is associated with a historic event or historic structure or is otherwise commonly recognized within the community to have historical significance.
 - (2)Where a tree is questionable as to whether it is a specimen, a written determination shall be made by the town administrator or his designee in consultation with a certified arborist or forestry professional.
7. The next meeting date was not set.
8. Adjourned: 11:00 AM
