DEPARTMENT REPORT

Director Michelle Austin, provided the following updates:

- Tenant-Based Rental Assistance (TBRA) – 27 families are currently in the program, there is one pending, and some are up for renewal. During the first year of enrollment in the program, the City pays 70% of the rent and the tenant pays 30%. In the second year of the program, it's 50/50. This is a 2-year program to help families by giving them some assistance so they can be on their own by the third year. Applications were briefly suspended to manage the existing load, however, it will re-open May 1, 2024.
- Michelle Austin was in Washington, D.C. to receive a National Award for Excellence for Administrative Innovation from National Association of Housing and Redevelopment Officials (NAHRO). This award was for the partnership between CNCS and Common Ground Café program operated by Progressive Directions.
- Tornado Long-Term Recovery – The Mayor placed an all-call on April 9, 2024 (the 4-month anniversary of the December 9, 2023 tornado) to our citizens affected by the tornado. The call provided options for the citizens to select based on their need for assistance in areas for which they are continuing to try to navigate. City employees will be doing follow-up calls to get everyone who still needs assistance into the casework system.
- The department's Program Manager position has been filled.
- Community Development Block Grant (CDBG) funding awarded to subrecipients Operation Stand Down Tennessee and Clarksville Area Urban Ministries. Next year the department plans to do more training workshops to prepare nonprofits for the applications process.

Council Report

June 2024

- The June meeting of the Community and Neighborhood Services Committee was moved to June 17, 2024 at 4:30 PM
- The CNCS Department currently has:
 - 11 Home Rehab Projects in Various phases of development.
 - 2 Homes are under full reconstruction, scheduled to be completed July 9.
 - 3 Home Reconstructions in the pre-construction phase.
- Residents seeking assistance navigating repair, reconstruction, or other recovery needs from the December 9 tornado were invited to attend the Britton Springs Multi-Agency Resource Center on Saturday, June 8 from noon to 2 PM. There were approximately 100 residents who attended and met one-on-one with local partners, attorneys, and case workers. The Clarksville Parks and Recreation Rec Rover was also in attendance with activities for children. While many of our partners were no-shows, we connected with many affected residents who had not yet fully recovered and were not yet in case management. While small, the event was a huge success for those residents in attendance.
- Thank you for your consideration and approval of Resolution 48-2023-24. This also included our Action Plan that was submitted to HUD last week for review.

We encourage you to share this information in your community and with your constituents. Please follow Clarksville Neighborhood and Community Services on Facebook for more information on these topics and our other programs.

WHEREAS, the City of Clarksville recognizes the fundamental right of individuals to secure and peacefully enjoy their private property;

1. The City of Clarksville formally recognizes the need for stronger protections and more efficient legal processes for homeowners and property owners against squatters.
2. The City of Clarksville calls upon the Tennessee State Legislature to consider and adopt legislation that provides clear, expedient, and fair mechanisms for property owners to reclaim possession of their property from squatters, ensuring due process for all parties involved.
3. The City Council commits to engaging with local stakeholders, including homeowners, tenants, legal experts, and law enforcement agencies, to gather input and support for the proposed legal changes.
4. This resolution shall be communicated to the Governor of Tennessee, the Tennessee General Assembly, and other relevant state and local officials to express the City of Clarksville's support for legislative changes to protect homeowners against squatters.
