DEPARTMENTAL REPORT - David Smith

We closed 450 work orders in the month of May.

Capital Project Update - David Smith

We expect a change order from the contractor in the next couple of weeks that will re-energize and finish the project for a fixed amount. Spring Creek is progressing quickly. Rossvie is finished, with the exception of a couple of punch list items. Of interest, would be the Woodstock Phase I project, which is completed. The rain forecasted for the weekend will allow us to see how successful the project was for drainage improvement. The sidewalk work on Russellville is being completed in house and is currently underway.
